### **NUDISTS REMEMBERING WOODSTOCK AT ANNUAL CONVENTION**

KISSIMMEE, FL (March, 2009) - This summer the American Association for Nude Recreation (AANR) will commemorate the 40 years since August 15, 1969 ushered in the Woodstock Festival and an effervescent time that ingenuously became known as the "Age of Aquarius." It was a time when a half-million Baby Boomers first enjoyed great personal freedoms through free expression, the joy of dancing, swimming and the feel of raindrops and the warmth of the sun on a clothes-free body.

To celebrate this pivotal cultural phenomenon, the American Association for Nude Recreation ([www.aanr.com](http://www.aanr.com)) is inviting those original Woodstock performers to their Annual Convention, August 10-16, at Oaklake Trails naturist resort in Dewey, Oklahoma. The Convention also marks the association's 78<sup>th</sup> anniversary as the credible voice of reason for nude recreation.

AANR is seeking the public's help in locating Woodstock icons: Richie Havens, Country Joe and the Fish, John Sebastian, Ravi Shankar, Melanie, Arlo Guthrie, Joan Baez, Quill, Santana, Canned Heat, Mountain, Sly & the Family Stone, Grateful Dead, Creedence Clearwater Revival, The Who, Jefferson Airplane, Joe Cocker, Ten Years After, The Band, Blood Sweat & Tears, Johnny Winter, Crosby Stills Nash & Young, Sha-Na-Na.

The American Association for Nude Recreation is the credible voice of reason on issues relevant to nude recreation and Nakationing in appropriate settings, serving more than 213,000 individuals who enjoy clothes-free and clothing-optional recreation throughout North America.
