GETTING THEIR KICKS ON ROUTE 66

*California nudist resort hosts 73rd Annual
American Association for Nude Recreation Convention*

KISSIMMEE, FL (July 23, 2004) – “Route 66 – The Road to California Fun” is the theme for this year’s American Association for Nude Recreation Convention taking place in Corona, California at the Glen Eden Sun Club August 8 – 15, 2004. The theme commemorates the historic artery that served as the main link between Chicago, Los Angeles, and hundreds of communities in between from 1920s to the 1960s.

Each year, AANR’s nearly 50,000 members and their families who belong to the association’s affiliated clubs, resorts and campgrounds throughout the U.S. and Canada, are invited to participate in the annual convention which includes a wide range of events, meetings, and seminars that “embrace the joy of living and experiencing nature in the most natural way possible.”

“We have been looking forward to this year’s festivities since we wrapped up our 2002 convention,” states Jeannette DeRosier, convention chairperson. “This annual meeting is jam-packed with activities for all ages and we’re expecting a nice turn out.”

Glen Eden Sun Club is located near Hollywood, Beverly Hills, Disneyland, and two major nude beaches – San Onofre and Black’s Beach. The resort’s accommodations include rental units, large full hookup RV sites, and rustic camp-sites.

Conference attendees will enjoy a daily raffle, silent auction, parade, sound and light show, sports clinic, nightly entertainment, karaoke, arts and crafts, vendor booths, a tribute to the Beach Boys, hypnotists, and tons of sports.

During the seven-day convention, nudists from across the country will discuss the organization’s structure, report on activities from various committees, participate in media training sessions and hear from convention keynote speaker, Marcia Wieder. Wieder encourages her clients to discover their dreams and continue personal growth.

Media interested in scheduling interviews or a visit to a club should contact YPB&R Public Relations, or the AANR office at the numbers listed above.

The American Association for Nude Recreation is the oldest and largest organization of its kind representing nearly 50,000 people who enjoy clothes-free and clothing-optional recreation throughout North America.
