Assateague Beach Cleanup

Advance registration is now open for volunteers to help at the Assateague Beach COASTAL DAY CLEAN UP on Saturday, September 16, 2006 and show how much we nudists care about this wonderful beach area. We have to know how many bright yellow T-shirts and what sizes we will need ASAP as this will be a clothing **not-optional** event. AANR will provide bottled water, juice and snacks as always. On site registration will be 8:30–10:00 AM .

For early registration
