

**PUT A LITTLE NAKED IN YOUR NEXT VACATION**  
*Order your "Nakation in a Box" ... it's the natural choice*

KISSIMMEE, FL - There's no better way to get the most enjoyment and relaxation from your next vacation than putting a little naked in it. Book a night or two at a clothes-free resort or campground or visit a nude beach for a day, and, voila, you've taken a **Nakation!**

It's a great way to relax and recharge. When clothes come off, so do most of the mental cues that tie us to the work-a-day world. [Nakationing](#) frees the spirit and enhances the senses.

Plus packing for your **Nakation** is a breeze: some sun block, a towel, and maybe your favorite book. Then you're ready to rest, relax and re-energize.

Thinking about giving nude recreation a try, but not sure where to begin? The American Association for Nude Recreation's ([www.AANR.com](http://www.AANR.com)) new "Nakation in a Box" is a great way to start. AANR's **Nakation** kit includes all the ingredients for a nude vacation—just add you to the picture and enjoy:
