**PRINCIPLE:** The AANREF believes in the wholesomeness of the human body, and its expression in recreation and living, in safe and appropriate settings, at appropriate times.

**OBJECTIVE:** The AANREF will seek partnerships with individuals and groups in support of the creation of art, literature and scholarship, which will relate to the nudist world, its practices and the wholesome nature of the human body; will endeavor to develop educated persons and leaders in broad areas of society; and will aim to improve peoples lives by developing community support for nudist resorts, clubs, groups and areas.

### **GOALS:**

- Achieve public acceptance of social nudity in appropriate settings
- Increase and expand awareness and understanding among public officials of social nude recreation and nude living
- Foster a greater understanding of the past, present and future of nudism and naturism
- Promote scientific research of the physical and mental benefits of nude recreation and nude living
- Promote the creation, preservation and display of art that is relevant to the nudist community
- Assist deserving individuals in furthering their formal education
- Promote community building
- Respond to unique opportunities that enhance nude recreation and nude living opportunities
- Attract contributions from persons, groups and organizations supporting our mission, principle and objective for purposes of making grants
