Welcome to Solair Recreation League

On behalf of the Board of Directors, Membership, and Management Staff of Solair Recreation League, I want to express our heartfelt gratitude for your presence at this year's convention! We are thrilled to welcome you to our family nudist resort and campground, where individuals of all ages and diversities can embrace the joy of nude recreation and social nudity. Since 1934, Solair members and guests have cherished the freedom and camaraderie found within our 360-acre sanctuary nestled in Woodstock, Connecticut.

This year's convention theme, "Protecting Our Freedom; Promoting Acceptance," resonates deeply with us, and we wholeheartedly embrace the mission of AANR in safeguarding the cherished freedoms we nudists hold dear. As a proud 100% AANR club, we stand ready to support your every need throughout the event.

Our dedicated Recreation Committee has meticulously planned a wide range of activities, both indoors and outdoors, with the hope that you will find immense enjoyment in them. To kick off the Convention on Wednesday evening, we have a delightful Welcome Reception planned for you. You can look forward to engaging in recreational pursuits such as volleyball, pickleball, shuffleboard, and venturing along our scenic hiking trails. Additionally, we have some exceptional Special Events lined up, including a Fundraising Auction, a captivating American Optical Museum Tour, a delightful movie and dinner experience with "I Am Big Bird," and an unforgettable Solair '90ish' Birthday Pool Party. Get ready for a fantastic time filled with music, jubilant celebrations, and the true spirit of Solair! And of course, you are more than welcome to simply relax and soak up the sun by the pool, pond, or hot tub at your leisure. You won't want to miss the delectable culinary delights prepared by The Delish Bistro and the dedicated committee.

I would like to take this opportunity to extend our sincere appreciation to the hardworking individuals who make our resort shine. The countless members of our committees have devoted their time and effort to ensure your stay is both safe and enjoyable. We are especially proud to count Ronna Krozy among our shareholders, who also serves as AANR's Public Relations Chair and Conventions and Facilities Chair. A special thank you goes to Ronna, our esteemed Recreation Director Kat, and Solair's Marketing/Communications/Public Relations Committee Chairperson April for their exceptional leadership in planning this convention. To stay updated with all the intricate details of Solair and the activities and timings of the events, we invite you to visit our website at www.solairrl.com.

With immense pride and enthusiasm, Solair Recreation League eagerly awaits the privilege of hosting the 2023 AANR Convention! Together, let us celebrate AANR and Solair, where freedom and fun converge into one harmonious experience.

Respectfully yours,
Judy Ferguson
President of the Board of Directors

Greetings from the President

Howdy Friends!

If you are reading this, that means you have taken time out of your busy life and made your way to Solair Recreation League! I would be willing to bet that several of us have come from much warmer areas of North America, and to be able to be nude for enjoyment rather than necessity is a welcome change.

Speaking of nude enjoyment, be sure to go through this program. to see all the wonderful amenities here at Solair that you can enjoy *au naturel*. There will be games for everyone to enjoy and delicious food to try. There are also some special events planned to include a movie night, a museum tour, and of course, a Birthday Bash as we help Solair celebrate its (almost) 90th anniversary!

Please enjoy yourself and feel free to stop by and say 'howdy'! Bienvenue à tous et profitez de votre temps à Solair Recreation League.

Sincerely,
Mitch London
AANR President

Solair Top 10 “Ground Rules”

1. We are a family–friendly environment and there is absolutely no sexual behavior allowed at any time.
2. NO Photographs of anyone or of our facilities, this includes yourself or places with no people in it.
3. Always sit on a towel.
4. For hygiene purposes, we request everyone to shower before using the hot tub or pool. Additionally, please towel off before transversing between the showers and the hot tub – for the safety of all.
5. Our community seeks to foster a culture of mutual respect and civility. We expect everyone to be respectful of everyone.
6. When the weather is appropriate, nudity is expected as we are NOT a clothing–optional resort. The beach, hot tub, pool area, showers, and sauna are nude–only areas.
7. Bathing suits, tops, or bottoms are NOT allowed anywhere in camp. Women who are menstruating can wear shorts or a sarong, but must still be nude while in the water.
8. If you are staying only for the day, you must exit by 9:00 p.m. Sunday through Thursday and by Midnight Friday and Saturday nights.
9. Smoking or vaping is only allowed in the two posted smoking areas by pool and beach. Marijuana may only be used at private sites. Illegal drug use will not be tolerated.
10. For the safety of all, no glass containers are allowed on the beach or in the fenced pool area.

A Message about Public Safety

We want all of our guests to enjoy their day – the Solair way! We take safety seriously and have a few key pieces of information to share:

Solair Public Safety Line: 860–234–4873

If you have any issues while at Solair, from someone making you uncomfortable to accidentally locking your keys in your car, please let our Public Safety committee know by calling 860–234–4873.

Emergency Plan for Inclement Weather:

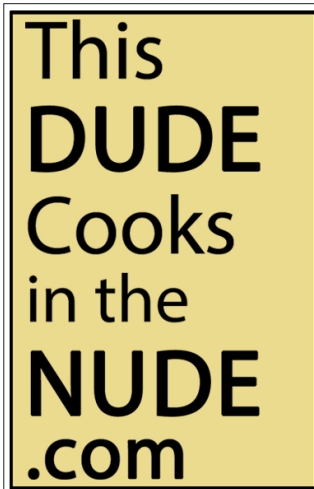

New England Summers are beautiful, and while the chances of a tornado are lower in some other parts of the country, we still have impressive storm systems that come through from time to time.

Strong thunderstorms and tornado watch: take precautions to be ready to move to the community center at a moment's notice.

For a tornado warning it is recommended to shelter in the basement of the community center as fast as possible if safe to do so.

If a tornado watch or warning is issued, you are allowed to bring your pets on a leash or in a carrier to the community center.

The probability is not worth your life as your trailer or tent is not going to survive a hit by a falling tree or other debris.

ASA/AANR HALL OF FAME

The AANR Hall of Fame was established to honor individual AANR members who have contributed much to the organization throughout history.

The select group of nudists who are included in the AANR Hall of Fame have been considered by a committee consisting of one representative from each region. Each year, this committee considers all applications submitted and may elect as many as two new members to this honor roll. In order to be elected, near unanimous agreement is required.

National Anthems

The Star Spangled Banner

Oh, say can you see, by the dawn's early light,
what so proudly we hailed at the twilight's last gleaming,
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched were so gallantly streaming.
And the rocket's red glare, the bombs bursting in air,
gave proof through the night that our flag was still there.
Oh, say does that Star Spangled Banner yet wave,
O'er the land of the free and the home of the brave.

O Canada

O Canada! Our home and native land!
True patriot love in all thy sons command.
With glowing hearts we see thee rise,
The True North strong and free!
From far and wide,
O Canada, we stand on guard for thee.
God keep our land glorious and free!
O Canada, we stand on guard for thee.
O Canada, we stand on guard for thee.

Rules of Business

"Where there is, radical difference of opinion in an organization, one side must yield. The great lesson for democracies to learn is for the majority to give the minority a full, free opportunity to present their side of the case, and then for the minority, having failed to win a majority to their views; gracefully to submit and to recognize the action as that of the entire organization, and cheerfully to assist in carrying it out, until they can secure its repeal."

– Henry Robert, *Parliamentary Law*

The business meeting will be recorded.

MOTION PROCEDURES:

All motions are to be written on the AANR Motion Form and forwarded to the president.

WHEN A MOTION IS ON THE FLOOR:

- Speakers are limited to three minutes per speech.
- In the debate, each member has the right to speak only twice on the same question.
- Members cannot make a second speech so long as any member who has not spoken on the question desires the floor.
- Speakers shall be recognized to speak alternately for or against a pending motion.
- When speaking to a motion, the member should indicate whether he speaks in favor of the motion or in opposition.
- The presiding officer cannot cut off the debate as long as one member wishes to rise and speak.
- Any member can "move the previous question" which immediately stops debate. The motion needs a second, is not debatable, and requires a two-thirds vote to adopt.

The secretary/treasurer will record the results of each motion on the AANR Motion Form.

COMMITTEE REPORTS:

All committee reports not previously circulated are to be presented to the secretary/treasurer for distribution. Previously circulated reports will not be read.

BE A PART OF **AANR'S FUTURE**

BE A PARTNER IN PLANNED GIVING

A planned gift is a voluntary gift of any kind in any amount. Some partners may choose to remember AANR in their will, or name AANR as the beneficiary to a life insurance policy. Still others may choose to leave a special annual gift or unique donation to honor a loved one or commemorate an event. If you wish, your bequest may be used for a specific purpose. AANR's goal is to be sure that your legacy is as you intend.

Here at convention, you are invited to attend a Planned Giving Reception (see the Convention Schedule for the time and place). Those who attend and fill out a commitment card will be offered a special gift. If you are already recognized by AANR as a Planned Giver, you are certainly welcome to drop by for treats and a gift.
