

IA report for 25-05-31 meeting, prepared 25-05-17 by Bob Dixon

There are two IA investigations currently in progress.

IA 2025A was commenced during the executive session at the 2025 midwinter meeting. The investigation was conducted by Bob Dixon and Heather Cheney. The report out was completed on 25-04-29 and is awaiting presentation during the executive session scheduled for 25-05-31. Details of process and findings will be presented in that executive session.

IA 2025B was instigated during a Board zoom meeting in 2025-03. The investigation is being conducted by Bob Dixon, Ted Peck and Sharon Macleod. There were delays in getting started due to discussions about the CA. A status update is expected to be provided during the executive session scheduled for 25-05-31.
